

Friday Oct. 28

TRICK-OR-TREES NIGHT HIKE

7pm ★ K.C. Irving Centre

Join us for a free family-friendly night hike of the Woodland Trails. Costumes are encouraged for this candy-free alternative to 'trick or treating.' Bring your own flashlight or headlamp and a biodegradable offering for the forest (e.g. pinecones). Plus, help light up the woods by entering a pumpkin in the Pumpkin Carving Contest. Categories include: Most Polluting Pumpkin, Best Pollinator Pumpkin and Most Endangered Pumpkin. Drop your carved creations off by 4:00 pm on Oct. 28. Voting will take place during the night hike. Location: Meet in the main lobby of the K.C. Irving Centre.

Saturday Oct. 29

WOLFVILLE FARMERS MARKET

8:30am-1pm ★ DeWolfe Building, 24 Elm Ave.

Visit the new home of the Wolfville Farmer's Market in the DeWolfe Building. Over 70 local vendors plus enjoy live music.

About Campus Sustainability Week

In 2010, Acadia established Campus Sustainability Week to focus the attention of the campus community on the importance of sustainability and to celebrate the success of the sustainability movement in higher education. Organized each year by the Arthur Irving Academy for the Environment in partnership with students, staff, faculty and community partners, the event builds on the success of Campus Sustainability Day, which began in the United States in 2003 led by the Society for College and University Planning. Since 2003, this national event has expanded to include a multitude of activities held at campuses across North America.

Event Partners

Arthur Irving Academy for the Environment
K.C. Irving Environmental Science Centre & Harriet Irving Botanical Gardens
Environmental and Sustainability Studies
Acadia Community Farm
Acadia Eco-House
Acadia Environmental Society
Acadia Student Environment Network
Water Watch Acadia

Acadia Campus
SUSTAINABILITY WEEK • OCTOBER 24-29

All Week

RIDE FREE WEEK

October 24- 29

Courtesy of Kings Transit, *The Friendly Bus Service*, Acadia students can ride for free during Campus Sustainability Week.

Must show a valid Acadia Student ID.

FACULTY/STUDENT RESEARCH POSTER EXHIBIT

8:30am-4:30pm★Tuesday-Thursday

Drop by the Fountain Commons to learn about faculty and student research in social, environmental, and economic sustainability.

CARE OF THE WORLD CHAPEL SERVICES

11:30am-11:50am★Manning Memorial Chapel

Throughout the week, Chaplain Virginia Cookman will speak to the urgent need to care for our world resources.

PAPER TOWEL FREE WEEK

Did you know that in 2010/2011 Acadia used almost 3000 rolls of paper towel in residences alone? Help conserve resources by pledging to avoid using paper towels whenever possible during Campus Sustainability Week and throughout the year.

VAMPIRE POWER SUCKS!

Beware Acadia! Vampires will be on campus throughout the week to help suck your Vampire Power. Vampire Power (or standby power) is energy that appliances or electronics use while switched off or in standby mode. *Environment Canada estimates that Vampire Power accounts for 5-10% of all electricity used in the typical Canadian home.* Vampire Power Sucks!

Monday Oct 24

WATER SERVICE

5pm-7pm★Wheelock Hall

Enjoy flavoured water and lemonade served by Water Watch Acadia and Environmental and Sustainability Studies students to raise awareness about public water issues and promote the I Love Tap Water campaign.

ECO-HOUSE OPEN-HOUSE

7pm-9pm★34 Westwood Ave.

Acadia students are invited to Eco-House, Acadia's environmental residence, to meet the students and learn about this residence life opportunity open to eco-minded students.

Tuesday Oct 25

PERKINS COFFEE HOUSE

8am-4pm★Perkins in the SUB

Bring your reusable mug and enjoy a free coffee from Perkins, sponsored by Mother Parkers. Plus enjoy live music from 12pm-2pm and drop by the info table to learn about disposable coffee cups. Don't have a reusable mug? Stop by Cajun's for 25% off reusable mugs and other merchandise.

Wednesday Oct 26

SAVE THE CANADIAN ENVIRONMENTAL NETWORK

10:30am-12:30pm★BAC

Help save the Canadian Environmental Network from federal funding cuts by signing the petition organized by Acadia students.

ART AND THE ENVIRONMENT EXHIBIT

2pm-3:30pm★K.C. Irving Centre Main Lobby

Meet the student artists and view their work from Art and the Environment 2053 class.

GROWING GARLIC

4:30pm-5:30pm★Acadia Farm

Good for repelling vampires but better roasted! Join the Acadia Farm team for the annual garlic planting. No experience necessary. Weather permitting. Located behind the Athletic Centre.

VAMPIRE POWER MOVIE - TWILIGHT

7pm★K.C. Irving Centre Auditorium

Spend an evening with the Cullens – The Vampire Power Movie Night feature is "Twilight". Event includes Vampire Power trivia contest and refreshments to quench your thirst.

Thursday Oct 27

CLOTHING SWAP

10am-6pm★Thursday & Friday

AES Office, second Floor in the SUB

Stop by the AES Free Market for a clothing swap. Gently used clothes, jewelry and accessories accepted.

VALLEY WASTE EDUCATION BOOTH

11am-2pm★SUB Main Lobby

Confused about waste sorting or home collection in Wolfville? Stop by the Valley Waste Resource Management education booth in the SUB for information about local waste management and pick-up your free home recycling kit.

PUMPKIN EXTRAVAGANZA

6:30pm-8:30pm★DeWolfe House, 52 University Ave.

Drop by DeWolfe House for tasty treats and sweets made from valley fresh pumpkins and take away simple DIY recipes for harvest and Halloween. Plus, carve your own local pumpkin and join Snoopy and the gang for "The Great Pumpkin Charlie Brown".

Over for Friday Schedule ...
