Acadia Community Farm Workshop Series 2011:

Holiday Preserves

A FREE workshop presented by the Acadia Community Farm

Partners:

Eastern Kings
Memorial Health
Foundation

Arthur Irving
Academy for the
Environment

Acadia
Nutrition &
Dietetics

Why not give *do-it-yourself* gifts this holiday? Preserves make great presents for friends and family. In this introductory workshop you will learn to make preserves featuring fruits grown here in the Annapolis Valley. Recipes include **citrus pumpkin butter**, **apple ginger chutney** and **blueberry jam**.

Participants will take home an Acadia Farm apron, three jars of preserves and a copy of each recipe. **Space is limited.**

Register by Nov. 30
